

## **Política de Privacidade**

Albicalor is committed to protecting your privacy.

We collect your personal information only when you complete the "TALK WITH US "so that later the customer is contacted and we can establish a relationship commercial with the same. This means that you can always visit our website without need to reveal your personal data.

The client gives his consent in a free, express, informed and unequivocal manner processing of the data provided and Albicalor undertakes not to give or sell customer data to third parties.

We strive to improve our service and your information will help us to serve you better.

At any time, you can request access, rectification, deletion and opposition to the data processing, upon request addressed to Albicalor, to [geral@albicalor.pt](mailto:geral@albicalor.pt)
